ICM Brokers Account

You are applying for a ICM Brokers account that offers you the opportunity to trade on the movement of financial products. Spot FX, Spot Metals, OTC derivatives and CFD trading are leveraged trading products. If you want to know more about margin trading please visit our website at www.ICMBrokers.com

At ICM Brokers we want you to enjoy your trading experience, but you must note that if the markets move unexpectedly against your position or gap overnight, you may be required to credit your account with additional funds.

Stop-losses can be generated at trade inception or can be placed on existing deals at a later stage. You can lose more than your initial deposit and stake. Trading carries a high level of risk so you should only speculate with money you can afford to lose. Before you open an account, please ensure you familiarise yourself with the risks involved. Or if you have any questions please visit our website at www.ICMBrokers.com

PAYMENT OPTIONS

You must deposit funds before you wish to make a trade. Payments can be made via Credit Cards, Web money, Paypal, by bank transfer using your account number as a reference (please ask for bank details).

FEES DISCLOSURE

Please note that all fees and charges mentioned below are based on a per contract basis.

ICM Brokers will debit from your trading account the following fees and charges.

OTC Spot Forex Commissions	0
OTC SPot Metals Commissions	0
OTC Futures Commissions	\$10
EQUITY CFDs Commissions	\$10
