

## Introducing Broker Fee and Rebate Policy

### Policy Statement:

This policy outlines the compensation structure for Introducing Brokers (IBs) affiliated with ICM Brokers. Introducing Brokers play a crucial role in promoting our services and driving trading activity. This policy establishes a rebate-based compensation structure, rewarding IBs based on the closed trading volume generated by their introduced clients.

### 1. Eligibility Criteria for Introducing Brokers:

To be eligible for participation in our Introducing Broker program and qualify for the rebate-based compensation structure, prospective IBs must meet the following criteria:

- 1.1. **Legal Compliance:** IBs must adhere to all applicable local and international laws and regulations governing financial services and online trading.
- 1.2. **Reputation:** IBs should maintain a reputable and ethical standing within the financial industry.
- 1.3. **Adequate Resources:** IBs must possess the necessary resources, including personnel and technology, to effectively introduce and support clients interested in our services.
- 1.4. **Agreement:** IBs are required to enter into a formal agreement with ICM Brokers that outlines the terms and conditions of the relationship, including the rebate-based compensation structure.

### 2. Rebate-Based Compensation Structure:

Our rebate-based compensation structure rewards IBs based on the closed trading volume generated by their introduced clients. The rebate rates are as follows:

1 to 500 lots	= \$6 per closed lot.
501 to 1,000 lots	= \$7 per closed lot.
1,001 to 2,000 lots	= \$8 per closed lot.
2,001 to 5,000 lots	= \$10 per closed lot.
5,001 lots and above	= \$12 per closed lot.

IBs will earn rebates based on the trading activity of their introduced clients as per the specified volume tiers.

### 3. Payment and Reporting:

- 3.1. **Payments:** Rebates will be calculated based on \$6 per lot and deposited in the IB master account daily.

3.2. Reporting: IBs will have access to a secure online portal “Partner Portal” where they can track the rebates earned by their introduced clients in real-time.

3.3 IBs will be compensated at month-end as a deposit transaction into their Master Accounts in case they achieve higher volume.

#### 4. Fee Structure:

4.1 ICM Brokers charges \$10 per closed lot commissions on all CFD Futures instruments.

4.2 ICM Brokers charges up to \$10 per closed lot commissions on Crpto instruments.

#### 5. Compliance and Risk Management:

5.1. IBs must adhere to strict compliance and risk management standards, including client onboarding procedures, anti-money laundering (AML) and know-your-customer (KYC) requirements, and trading activity monitoring.

5.2. ICM Brokers reserves the right to conduct periodic audits and due diligence checks on IBs to ensure compliance with regulatory requirements.

#### 6. Dispute Resolution:

In the event of disputes related to rebates or other matters, both ICM Brokers and IB will work in good faith to resolve the issue through negotiation and mediation.

#### 7. Termination of Relationship:

Either party may terminate the relationship in accordance with the terms specified in the agreement. Termination may be immediate or subject to a notice period, depending on the circumstances.

#### 8. Amendment of Policy:

ICM Brokers reserves the right to amend this policy at its discretion. IBs will be notified of any changes in writing, and the amended policy will become effective on the specified date.

#### 9. Confidentiality:

IBs are expected to maintain the confidentiality of client information and proprietary information of ICM Brokers in accordance with applicable laws and regulations.

This policy is subject to periodic review and updates. It is intended to provide a framework for the compensation of Introducing Brokers affiliated with ICM Brokers and should be read in conjunction with the IB agreement and any applicable laws and regulations.
